

Contacts in the Office of Human Resources

As we [announced](#) in February, the human resources services currently provided by the Cooperative Extension Human Resources Development (HRD) office are transitioning to the institutional Office of Human Resources (OHR). During the transition, the HRD and OHR staff will be working closely together to integrate the services that the HRD staff provides into the institutional OHR service model. As you continue to work with your colleagues in the COOP HRD office, you will also begin to work with your new human resources colleagues in OHR:

- Chee Lee (chee.lee@uwex.uwc.edu), a Human Resources Manager in OHR, will serve as the primary HR contact for the North Central and Northwest regions of COOP.
- Kurt Rose (kurt.rose@uwex.uwc.edu), a Human Resources Manager in OHR, will serve as the primary HR contact for the East Metro and Southwest regions of COOP.
- Nena Beier (nenabeier@uwex.uwc.edu), an HR Assistant-Advanced in OHR, will serve as the primary HR contact for University Staff Temporary appointments.
- Dave Young (david.young@uwex.uwc.edu), the Assistant Director of Human Resources, will be working to lead and support the transition of services from HRD to OHR.

Please consult this [chart \(below\)](#) to determine who your **initial** Human Resources, Payroll & Benefits contacts will be for consultation, questions, and transactional work during this transitional period. Please note that this chart is not meant to serve as a comprehensive list of HR related service, but rather a reference point for where you can start to reach out to staff with your questions and requests:

****Lelah Frey (lelah.frey@ces.uwex.edu) in HRD will continue to serve as the initial contact for any FoodWise recruitment actions.****

As always, any questions about this chart, and/or structure can be addressed to Jason Beier at (608) 890-1066 or Jason.beier@uwex.uwc.edu.
